**Michael Fleischer**

whose family settled in Rumania from Germany in the 11th Century, was born in Cruz, Rumania. He won a German State Bursary to further his sculpture studies in Stuttgart, came to South Africa in 1963 to execute a large mural for the Administration Buildings, Windhoek, and then settled in South Africa.

**Michael Fleischer** has executed a number of public commissions in South Africa in copper or bronze, and is well represented in numerous collections here and abroad.
