

Let your **CREATIVE HANDS** bring out the artist in you.

CREATIVE HANDS is a unique series of handcraft books for the imaginative craft enthusiast. The beautifully designed books “create-and-complete” approach could help you create your own exciting work of art. The well-known South African artist Louis Steyn provides you with an instructive guide and full-colour illustrations on how to master your favourite medium: batik, embroidery, knitting, lino and woodcutting and many more. It’s so easy. Now you could perfect your individual creation in the art form of your own choice. You could create beautiful works of art, adding a personal touch to your inventive creations.
